

Please note:

1 Your Pay out cheque/s will be made in NZ dollars and paid to the registered shareholder of each share. If you own shares jointly with friends or family, you may have to open a bank account briefly to cash your cheque. We cannot break the amounts in half as some have requested.

2 We will not be doing Internet Banking Deposits.

3 As we are extremely busy we may not be able to attend to every individual question at this point.

4 From this point on we put a line in the sand and commence the process of setting up the distribution format based on the most current address's and detail we have for each shareholder.

5 As said previously if mail is returned to us because you have moved and changed address and not informed us – we will follow up and find you.

Timeframe still end of April 2017.

Kind regards

Forestlands
